IMPORTANT INFORMATION - YOUR COVID-19 VACCINATION STATUS (FOR ADMISSION TO THEATRES, VENUES, EXHIBITIONS, MUSEUMS, PUBLIC EVENTS, CONCERTS, ETC)

It is a requirement by many venue operators that all visitors MUST show clear evidence that they have been DOUBLE VACCINATED against COVID-19. It is therefore YOUR responsibility that you and all adult members of your booking can demonstrate at the entry point to the venue or event that you have been 'Double Vaccinated' against infection by COVID-19, or that you have clear evidence that you are medically exempt. Acceptable evidence can be provided by the NHS App, Vaccination Passport, QR Code, Vaccination Centre Card, NHS or Doctors Letter.

Travel & Medical Insurance Cover

For all coach excursions, day trips and overnight hotel stays supplied by Windmill Travel Club it is recommended that each person has adequate travel and medical insurance cover and protection

There are many good value providers of travel and medical insurance, including supermarkets, retailers, high street banks, credit card providers and many online specialist travel insurance companies offering an excellent service to suit all circumstances.

As a passenger you are fully responsible to ensure you have declared any medical conditions with your insurance provider and you have valid 'fit for purpose' travel & medical cover for any eventuality that may arise during the full duration your holiday including all coach travel, day excursions and special activities.

If you are concerned about any current medical condition or treatment you are receiving you should seek medical advice from your doctor or a specialist health professional prior to travelling on your holiday. In certain circumstances we may require evidence of your travel insurance policy number prior to travel.

Should you become unwell during your holiday Windmill Travel Club and its service agents are unable to offer any assistance or support other than calling a hotel duty doctor or local ambulance service to attend to you. You will be fully responsible to meet any local medical service charges applied to your treatment.

It will be your liability as the passenger to meet any medical service costs including medical or hospital treatment and if you are advised unfit to continue travelling with us, you or your travel & medical insurers will need to meet the costs of any additional hotel and travel costs including repatriation charges.

Your travel itinerary may vary subject to unforeseen situations such as road traffic & weather conditions. COVID-19: Visitor attractions, venue operators, local & district councils and legal authorities including the Welsh & Scottish Government may suddenly implement changes to current covid legislation and as a result Windmill Travel Club and their service agents reserve the right to change the itinerary without prior notice.
